## KEY TO TRANSCRIPT

**CERTIFICATION OF OFFICIAL TRANSCRIPTS** An official transcript is printed on secure paper, does not require a raised seal, and is valid only when it bears the signature of the Registrar in white letters. Copies issued directly to students will be unofficial and will have "Issued to Student" printed on the transcript. Auburn University is accredited by the Southern Association of Colleges and Schools.

**GRADING SYSTEM** Effective Fall 1979 the University converted to a 4.0 grading scale.

**NOTE.** This transcript cannot be released to a third party without the written consent of the student. This is in accordance with the Family Educational Rights and Privacy Act of 1974.

**May appear on Record Prior to Fall 1998**

Graduate level courses that bear the prefix of X in the grade are courses which have been taken out of the calculation of hours and grade point averages due to academic bankruptcy.

## CREDIT LEVEL AND COURSE NUMBERING SYSTEM

1xxx -	Undergraduate courses primarily for freshmen.
2xxx -	Undergraduate courses primarily for sophomores.
3xxx -	Undergraduate courses primarily for juniors.
4xxx -	Undergraduate courses primarily for seniors.
5xxx -	Professional school and advanced undergraduate courses. ***
6xxx -	Graduate courses. Not available to undergraduates. ***
7xxx -	Graduate courses. Not available to undergraduates.
8xxx -	Graduate courses. Not available to undergraduates.

\*\*\*Prior to Fall 2004, 5000 level courses were Professional courses only and 6000 level courses were Graduate courses also open to advanced Undergraduates.

**CALENDAR SYSTEM** -Prior to Fall 2000 course work completed at Auburn University was on the quarter system. The University's academic year was divided into four quarters: Fall, Winter, Spring and Summer. Fall 2000, Auburn University converted to the semester system. Prior terms are on a quarter system; however, the transcript reflects the quarter to semester conversion. One hour under the quarter system is equivalent to 0.67 hours under the semester system.

**GRADE ADJUSTMENT POLICY (GAP)** - Effective Fall 2000, all currently enrolled, regularly admitted undergraduate students may delete a maximum of three (3) course grades of D or F (including FA or U) associated with their undergraduate degree program from the computation of their cumulative GPA. Grades or credits considered as transfer credits, courses earned in a previously awarded baccalaureate degree, or grades that have been assigned as a result of academic misconduct are excluded from this policy. This policy does not offer exemption from academic requirements for Auburn University degrees. Adjustment only applies to grades in individual courses. All courses for which a grade is awarded at Auburn University will remain on the transcript. Deletion of grades is only available to currently enrolled, regularly admitted undergraduate students and is not available to former students.

**TO TEST FOR AUTHENTICITY:** Translucent icons of a globe *MUST* appear when held toward a light source. The face of this transcript is printed on blue SCRIP SAFETY paper with the name of the institution appearing in white type over the face of the entire document.

[illegible]

**ADDITIONAL TESTS:** When photocopied, a latent security statement containing the institutional name and the words COPY COPY COPY appear over the face of the entire document.
